

With the Opportunities out there, it is very important to have a road map on:

How to Buy a Distressed Company...

An Exclusive Seminar for Potential Buyers and their Advisors

Florida is awash in troubled companies that make tempting targets, but no one wants to catch a “falling knife”. This factual and hard hitting 4 hours will give you the information you need to target, mitigate risk and close on the purchase of a distressed company.

Learn from Seasoned Professionals how to:

- Asset versus Stock Sales & When to Use the Bankruptcy Courts...
- Protect Yourself from Hidden Liabilities...and Bad Assets...
- Funding Issues and How to Mitigate them....
- Key Value Drivers and How to Maintain them through the Process...
- What Employees/Founders to Keep and Why...
- AVOID TAX & LEGAL PITFALLS in the Process...
